

When your children become parents, what outdoor memories will they want to recreate with their children?

Catching his first fish, learning to clean it, and tasting the fruits of his labor...

The feel of the bow string between his fingers as he aims for the target...

Learning to load, fire, and clean a gun...

Field dressing her first deer or cleaning her first bird...

Feeling the thrill of zooming through the forest on an ATV...

Paddling the canoe down his first river after practicing for hours in the pond...

You are invited to come have FUN!
Create these memories with your children on Saturday, September 26, 2015.
Make a memory they'll never forget.

The National Wild Turkey Federation and Forever Wild Adventures are partnering to create a one-of-a-kind PLAYDAY for parents/grandparents and their children. Learn how to enjoy the outdoors with your youngster. NWTF staff will guide parents and children in hands-on play:

- BB Air Rifle Shooting Range
- Outdoor skills
- 3D Archery Course
- Fishing
- Build a fire, cook s'mores!

This event is designed for ELEMENTARY/MIDDLE SCHOOL-aged children and their parents/grandparents. Bring your camera!
